

## Membership

Sask Handball programs and services are available to members only. There are two classes of membership with different fee structures.

**Active Members:** All youth, junior and senior clubs that compete in exhibition, league, and tournament play. This includes all schools, community/recreation associations or organizations that operate a mini handball program.

**Affiliate Members:** All schools, associations or organizations that wish to be affiliated with team handball but do not operate a club that participates in exhibition, league or tournament play and does not operate a mini handball program.

### Membership Benefits
